

How to Create a Google Account

Steps to create a Google account:

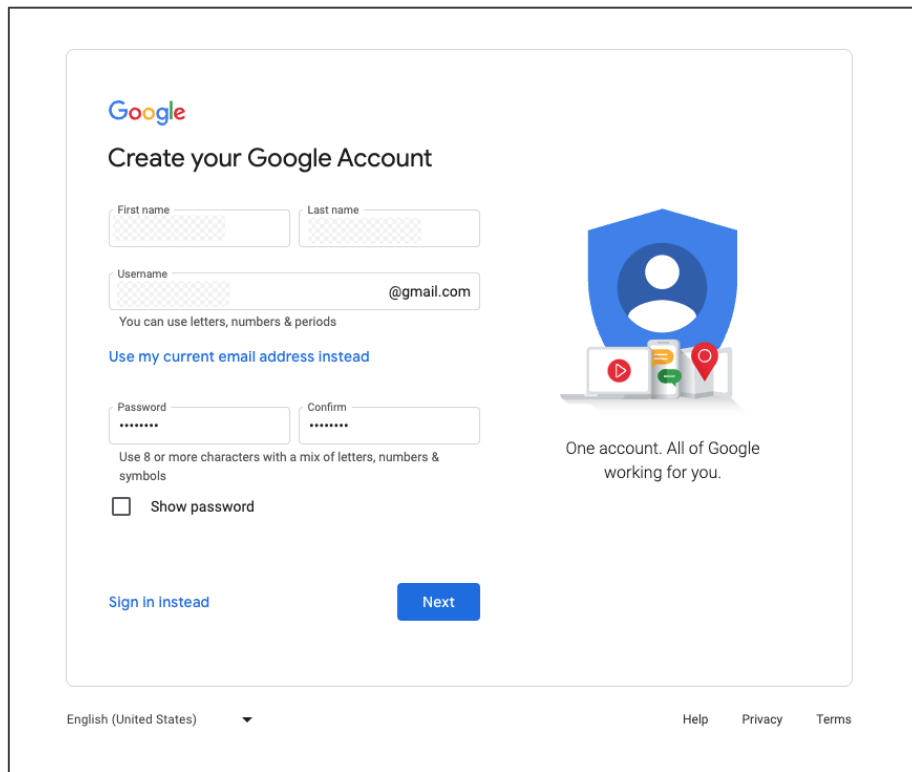

Step 1: Visit <https://www.google.co.in/>. Locate and select the "Sign in" button in the top-right corner of the page.

Step 2: Click **Create account**. A dropdown will appear asking if the account is for personal use, your child, or for work/your business. Select the appropriate option and click **Next**.

Step 3: A signup form will appear. Follow the directions by entering your first and last name and choosing a unique username. Then click **Next**.

The screenshot shows the Google Account creation interface. At the top left is the Google logo. Below it is the heading "Create your Google Account". The form consists of several input fields: "First name", "Last name", "Username" (with "@gmail.com" as a placeholder), "Password", and "Confirm". Below the "Username" field is a note: "You can use letters, numbers & periods". There is a link "Use my current email address instead" in blue. Below the "Password" and "Confirm" fields is a note: "Use 8 or more characters with a mix of letters, numbers & symbols". There is a checkbox labeled "Show password". At the bottom left is a link "Sign in instead" in blue. At the bottom right is a blue button labeled "Next". To the right of the form is a graphic of a blue shield with a white person icon, and below it, a row of icons representing Google services (YouTube, Gmail, Maps). Below the graphic is the text "One account. All of Google working for you." At the very bottom of the page, there is a language selector "English (United States)" with a dropdown arrow, and links for "Help", "Privacy", and "Terms" on the right.

Step 4: Choose a strong password to ensure your account's security.

Step 5: The form will ask for your phone number, recovery email address, birthday, and gender. Enter this information accurately to recover your account if necessary. Click **Next**.

Privacy and Terms

To create a Google Account, you'll need to agree to the [Terms of Service](#) below.

In addition, when you create an account, we process your information as described in our [Privacy Policy](#), including these key points:

Data we process when you use Google

- When you set up a Google Account, we store information you give us like your name, email address, and telephone number.
- When you use Google services to do things like write a message in Gmail or comment on a YouTube video, we store the information you create.
- When you search for a restaurant on Google Maps or watch a video on YouTube, for example, we process information about that activity – including information like the video you watched, device IDs, IP addresses, cookie data, and location.
- We also process the kinds of information described above when you use apps or sites that use Google services like ads, Analytics, and the YouTube video player.

You're in control of the data we collect & how it's used

Step 8: You are now logged into Google. In the top right corner, you will see your profile icon. Click it to **Manage your Google Account** and add items like a profile picture.
